

FOUNDATION AND OFFICE OF DEVELOPMENT

Dear Ms. Fratella:

It is my pleasure to inform you that I plan to name Southern Oregon University Foundation as a beneficiary in my will. This letter signifies my intention to keep in force, in my will, a donation of approximately \$_____ to benefit student scholarships at Southern Oregon University Foundation for the American Association of University Women, Ashland Branch Endowed Scholarship. This letter, which I understand is not legally binding on my estate, entitles Southern Oregon University Foundation to count my gift intention in its bequest expectancies.

Understanding that my gift intention is completely revocable, I will inform you should I change my intent toward the university, or should the dollar value of my estate’s potential donation significantly increase or decrease.

I wish you every success and hope that my charitable intent will inspire others to contribute to the Southern Oregon University Foundation.
